

The following is a short data request list required if you are interested in investigating a possible partnership with Graywood Companies.

- Income statement and balance sheet for the month and YTD plus previous 2 full years (including line item detail for cost of sales)
- Tax returns for previous 2 years
- Current plus 2 years of Top 10 customers in descending order
- Current account receivable aging
- Current account payable aging
- Current plus 2 years of Top 10 vendors in descending order
- Fixed asset listing
- Inventory listing in descending dollar value, including a calculation for months supply on hand
- Building lease terms and conditions, if applicable

The above, along with a tour should provide a good start to judge our interest level and possible economics.
